COMPANY PROFILE

Trusted Logistics Solutions Since 2000

ursejahtera.com _____

ABOUT OUR COMPANY

PT. Usaha Raya Sejahtera was established in 2000 in Neglasari, Tangerang, with a 2,500 m² site and 800 m² of office and warehouse facilities. Starting out in molasses distribution, we have since grown into a provider of chemical and refrigerated transportation services. For more than 25 years, we have served dozens of major companies across various industries with a fleet equipped with dashcams and GPS, operating throughout Indonesia.

MOLASSES

URS supplies quality molasses with high sugar content (Brix), tested through laboratory analysis, complete with direct delivery service to the client's location.
